

Important Notice: Reporting Workplace Injuries

In the event of a work-related injury, your well-being is our priority. Remember, timely reporting of workplace injuries is crucial. If you sustain an injury on the job, it's imperative to notify ATHENA HR immediately. This ensures proper documentation and facilitates a swift response for your workers' compensation claim. Your safety matters, and we're here to support you every step of the way. Don't hesitate to reach out to ATHENA HR to ensure your health and rights are protected. Stay safe and informed!
