## Core Competencies

ATHENA provides staffing solutions designed for public-sector programs:

- **Government staffing:** administrative, professional, and program support roles on temporary, long-term, and project-based assignments.
- **Rapid-response staffing:** scalable workforce solutions for surge and transition periods, aligned to contract requirements.
- **Health and human services staffing:** program support and caseworker roles for state and local agencies.
- **Education, human resources, and workforce services staffing:** qualified professionals for public-sector programs.
- **Employer of record and payrolling:** onboarding, payroll, tax filings, and employment compliance handled by ATHENA.

## What Sets ATHENA Apart

- **Benefits for every hire:** a robust benefits package regardless of assignment length or location, which helps attract and keep stronger candidates.
- **Low turnover, high retention:** consistently low staff turnover compared with industry averages, faster time-to-fill for mission-critical roles, and high retention throughout contract periods.
- **Government focus:** more than two decades supporting public agencies, with a recruiting process built for the procurement, compliance, and reporting requirements of public-sector work.
- **Client satisfaction:** a Net Promoter Score of 71, against a staffing industry average of 28, and client satisfaction scores averaging 95%.

## Experience Serving Government Agencies

ATHENA has supported state, county, and city agencies across the country for more than two decades. See the agencies we've worked with.

## How Agencies Procure ATHENA

Agencies can work with ATHENA through master service agreements, state term contracts, and agency-specific procurements. Visit Procurement & Contracting for active contracts and jurisdictions served.

## Capability Statement FAQ

**What is a capability statement?**

A capability statement is a short document that summarizes a supplier's services, experience, certifications, and contact information. Procurement teams use it for market research and vendor evaluation.

**What does ATHENA's capability statement include?**

It covers ATHENA's core competencies, differentiators, representative agencies served, supplier information, and contact details.

**Where can I find ATHENA's certifications and registration identifiers?**

On our Certifications & Supplier Information page.

**Who do I contact with questions?**

Contact ATHENA at 301-216-9654 or operations@athenaconsultingllc.com.
